

**perform® Sterile Alcohol  
70% IPA ( WFI )**

**Sterile, Alcohol Based Ready To Use Solution For Surface Disinfection In Cleanrooms.**

**perform® Sterile IPA 70%  
Wipes**

**Sterile, Ready to use 70 % (v/v) IPA impregnated Wipes For Surface Disinfection In Cleanrooms.**

**perform® Sterile PAA  
( Peracetic Acid )**

**Sterile Ready To Use Solution Based On Peracetic Acid For Disinfecting Surfaces In Cleanrooms.**

**perform® Sterile Mucosol**

**Sterile Ready-To-Use alkaline cleaner for use in cleanrooms. powerful cleaning suitable for Cytostatics and Monoclonal Antibodies cleaning**

**perform® Sterile Premium  
Dry Wipes ( 12" x 12" )**

**240 GSM Pure Polyester Double Woven Monofilament Sterile Dry Wipes Suitable For Use In Cleanrooms, Tripled-Bagged, Low Particle Release, Edges: Ultrasound-Cut and Sealed**

**mikrozid® HP-10**

**Eco - Friendly Surface and Environment Disinfection Effective Against Bacteria, Fungi, Viruses, Spores Fast and Effective Non-Toxic and Non-Irritating**

**terralin® protect**

**Quaternary Ammonium Compounds-Based Concentrate For Disinfecting And Cleaning Medical Devices And Surfaces Good Spectrum Of Activity (Limited Spectrum Of Virucidal Activity) based on QAV**

**gigazyme®**

**Enzymatic Detergent For Manual Reprocessing Of Medical Devices Such As Flexible Endoscopes And Surgical Instruments .First-class cleaning power due to three enzymes .Excellent material compatibility since pH-neutral**

**gigasept® PAA**

**Ready-To-Use High Level Disinfectant Based On Peracetic Acid For Flexible Endoscopes & Medical instruments. gigasept® PAA is a Medical Device class IIB.**

**thermosept® X-tra**

**Mildly Alkaline High Performance Cleaner For The Automated Reprocessing Of Medical Devices, Silicate-Free ,pH of >10 In The Cleaning Solution - Risk Reduction In The Case Of vCJK according to the recommendation of the German (Robert-Koch Institute)**

**MICROSHIELD®  
Blue Handrub**

**Alcohol-Based Hand Rub. Broad-Spectrum. Antimicrobial Effective Against Bacteria, Fungi, Viruses, Rapid Action ,Hygienic Safety For Your Hands ,Enriched With Emollient And Moisturizer**

**MICROSHIELD®  
Automatic Dispenser**

**Standardised & Measured Dispensing No Dripping - Patented "Clean Tip Zero Liquid wastage Quite & Smooth Operation Helps to reduce Bio-Medical Waste by 35% Improves Hand Hygiene Compliance**
